From the Dean's Desk

Exam time is almost here as we approach the end of Fall semester. It seems only a few short weeks ago we welcomed our students back to campus, albeit amidst different circumstances than normal. Thank you to our alumni, donors, preceptors and friends for your encouragement, engagement and generosity this year. I invite you join me in extending heartfelt gratitude to our faculty and staff who continue to work tirelessly providing exceptional learning experiences for our students. I wish you and your loved ones a wonderful Thanksgiving.
