

Generosity beyond measure – The scholarships you support at the UofSC College of Pharmacy mean so much more to our students than financial aid. Though COVID-19 interrupted our annual Scholarship Donor Recognition Dinner, our team found a unique way to connect our generous donors with the students they empower. [Watch here...](#)

From the Dean's Desk

We have concluded another semester for the College of Pharmacy and 2020 draws to a close. As I look back on the past year, I see how much we have accomplished, particularly in our focus on the COVID-19 pandemic. We now have a CLIA-certified lab moving forward that will bring much opportunity for our students and researchers. We have developed the SAFE testing process for rapid COVID-19 testing and shared that technology with our colleagues at other institutes of higher learning. As we move toward the start of 2021, I wish you and your family a prosperous and healthful New Year.

Dean Stephen J. Cutler
College of Pharmacy
