

POISON MIX-N-MATCH

Draw a line from the picture of a poison to the phrase that best describes it.

1 • These often look like candy and they can make you very sick if you accidentally eat them

2 • You should avoid breathing this or getting it in your eye. It can cause burning and irritation

3 • Keep these away from small children because they can be a choking hazard

4 • This can make you very sick, because you can't see it or smell it

5 • This can be very harmful to a small child if they drink it
